Slim-line Power Press Tool

Flexible and cost-effective due to interchangeable pressing jaws. Jaws available for 1/2" to 1-1/2" SS sleeves.

Tool shown with 1-1/2" jaws sold separately

Tool Comes with one 18V 1.3Ah Li-ion battery, battery charger, and hard plastic case.

HeatLink's new Slim-line Power Press Tool is designed for increased efficiency and reduced fatigue for plumbing and heating system installers.

The new Slim-line tool makes larger diameter PEX connections effortless and has interchangeable jaws (sold separately) ranging from 1/2" to 1-1/2".

Short pressing cycles of 3-4 seconds are now possible with HeatLink's new Slim-line tool and its efficiency is further supported by an extremely quick charging time of just 15 minutes.

The tool is built using high quality and powerful Makita Li-Ion technology and incorporates biodegradable oil that is non-hazardous to water and has received the "Blue Angel" ecolabel.

Ask the staff here about how the HeatLink Slim-line Power Press Tool can save you time and muscle power.
